Clothes iron

I just arrived, I knocked.

Ah?

Hello? Are you here?

イタリ

...

Should I turn around?

Just got out of one.

スン

It smells like soap...

Were you taking a shower?

Have a little decency, my word!

Put on your uniform quickly!

...

Please, sit down.

Oh!

Ah...

You should blush while you're at it!

Well, by yesterday afternoon we were already...

Yesterday was yesterday.

We'll be having tea in five minutes after all, right?

No thank you.

Never mind. Do you want something to drink?

Yes?

My god, what a tragedy...

Should I help you?

If **anything** is happening in five minutes, it's probably me catching a cold.

Not yet...

Alright, are you clothed now?

Wait, don't get mad!

Let's go have some tea!

How mean-spirited.

Thank you.

If you could iron it, that'd be swell.
